Enrolling in your local public school

Our school can help with enrolment queries throughout the year.

Local enrolment area

Most schools have designated local enrolment areas. The **School Finder** shows our local enrolment area. Note: local enrolment areas are subject to change.

Each year the principal, in consultation with the executive staff and P&C, sets and publicises the school's enrolment cap based on enrolment trends and availability of permanent accommodation.

Enrolment ceiling

The enrolment cap for 2021 has been set. Please review this information on the following page as it has changed from previous years.

How to enrol

Contact us when you're ready to enrol your child in our school. You may need to attend an interview with the principal. There you can discuss any medical conditions or other special circumstances before your child starts school. We may also complete a risk assessment on the enrolment.

For more information, visit **primary school enrolment**.

Download an application to enrol (PDF 5.9MB).

The application form must be completed in English. However, a **translated application to enrol** may help you to fill out the form in English.

Non-local enrolments

As outlined in the department's **enrolment policy**, our school may accept enrolments from outside our local enrolment area as places are available.

We will assess applications for non-local enrolment on a case-by-case basis.

Enrolments 2021

Context

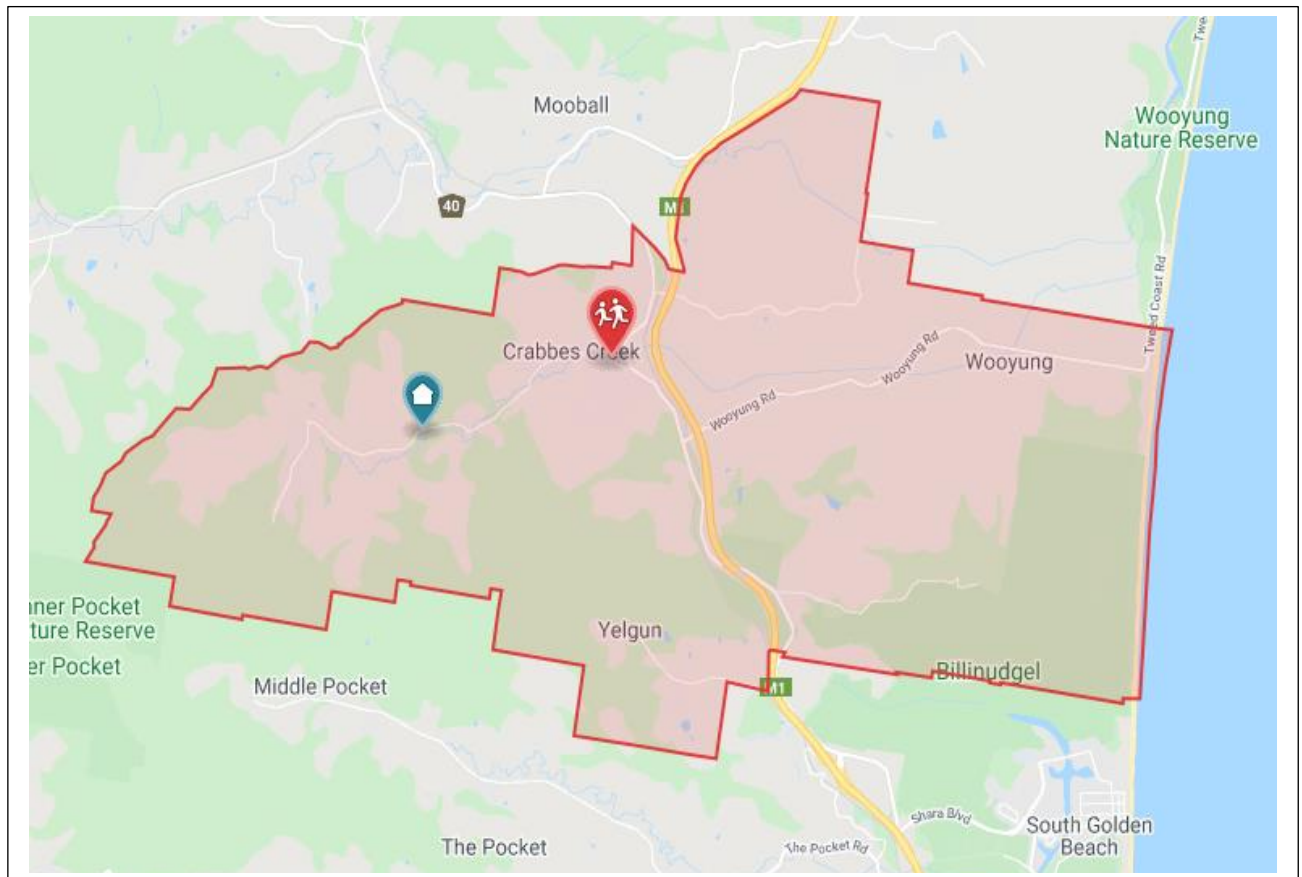

The new enrolment policy came into effect Term 3, 2019. Centrally set enrolment caps based on the number of permanent classrooms will apply from Week 1 Term 4, 2019.

Zones

Crabbes Creek Public School zone is depicted on the map – see the Department's Zone Intake Tool for more information on school zone boundaries:

<https://education.nsw.gov.au/schoolfinder>

During 2018 and 2019 non-local siblings were considered as 'in zone' enrolments as an interim measure as the school transitioned to the current policy. From 2021 all students residing outside Crabbes Creek zone will be considered non-local enrolments. Once students are enrolled, they may maintain their enrolment regardless of change of address.

Documents required with enrolment

In addition to your child's enrolment application form you will need to provide the following original documents:

- Proof of student's residential address (e.g. Council rates notice, residential lease)
- Birth Certificate or Identity documents
- Australian Immunisation Register (AIR) Immunisation History Statement (required for all students enrolling in NSW for the first time)

In addition, if your child is the subject of family law matters you will need to provide:

- Copies of any family law or other relevant court orders

In addition, if your child has health, disability or other support needs you will need to provide:

- Copies of medical/healthcare or emergency action plans
- Evidence of any disability or other support needs, including any learning and support plans

Kindergarten Orientation Information

Starting school marks an important milestone in the lives of young children. Recent studies suggest that children's transition to their first year at school is strongly influenced by their familiarity with the school setting.

WHO

At Crabbes Creek Public School we are 100% committed to community supported education and we encourage all children who live in the Crabbes Creek intake zone to take advantage of this opportunity.

WHEN

The program will run on Wednesdays from 21st October to 11th November between 9.30 am and 11.15 am during term 4. These sessions will be run by our experienced Kindergarten teacher Mrs Cassie Williams and and Principal Mr Brev Belleville

Please return the Expression of Interest form on the next page as soon as possible so we have contact numbers and other details to best look after your child.

PARENTS

There will be a parent information get together during the first session on Wednesday 21st October starting at 9.45 am in the Library. Here you will learn more about the orientation program, our classroom learning programs, life as a Crabbes Creek student and parent, plus meet the staff. We encourage all prospective parents to attend if possible and to bring along supporting enrolment documents listed on the previous page. If you are unable to attend, please call the office to make an appointment or pop by during school hours.

WHAT TO BRING

Pack some fruit or vegetables for crunch 'n' sip, some morning tea and a water bottle. Please dress your child in play clothes, a hat and enclosed shoes, ensuring all items are clearly labelled so we can return any misplaced items. Collection of your child will be from outside the Kindergarten room at 11.15 am.

WHY

Helping to make the transition from home or a preschool setting to the school situation as smooth as possible is of paramount importance to the Kindergarten Team at Crabbes Creek. A great deal of thought and planning has gone into our program and we believe it will:

- ✓ assist pre-schoolers in making a successful transition to the school environment
- ✓ offer an opportunity to participate in classroom activities
- ✓ allow the children to practise skills necessary for school
- ✓ encourage new friendships and develop a support system

Please do not hesitate to contact the school for more information regarding this program, the intake zone and enrolment for 2021.

Kind Regards, The staff of Crabbes Creek Public School
