Excellence in Education

Tuesday 22nd May 2108
Term 2 - Week 4

District Cross Carnival

Congratulations to Luke, Donovan, Ashleigh, Maya, Marielou, Bailey and Ella who all qualified for the district Cross Country tomorrow. The children will need to report to Mr Hollis who will be at the event to assist Crabbes Creek Students. Having so many competitors in this higher level completion is a great achievement for a small school. We wish our students all the best and are proud of them representing Crabbes Creek Public School.

NAIDOC Day

This Friday we will be travelling to Fingal Head Public School to participate in the NAIDOC day celebrations with all our fellow small school friends from the S8 Community of Schools. Families are welcome to come along and join in the activities. The theme this year is *Because of her we can!* The theme celebrates the invaluable contributions that Aboriginal and Torres Strait Islander women have made – and continue to make - to our communities, our families, our rich history and to our nation. **Students are encouraged to dress in the indigenous colours of Red, Yellow and Black.** Students will need to bring lunch, a drink bottle and their hat.

Crunch & Sip

We have commenced our Crunch and Sip program. The initiative aims to provide our students with opportunities to top up with extra serves of fruit and veg while remaining hydrated. Families simply provide a water bottle and easily accessible and mess free serves of fruit and veg. The teachers will timetable Crunch and Sip and the children will do the rest. An information pamphlet has been sent home today.

State Tennis Carnival - Marielou

Congratulations to Marielou for representing the North Coast Tennis Team in the State Carnival in Albury. We are all very proud of you. We would like to share some feedback from the event manager.

*To whom it may concern,
I had the pleasure of having Marielou Baudouin represent in the North Coast Tennis Team at the State Tennis Carnival in Albury last week. Marielou showed great sportsmanship and gave her best in each match that she played. Her positive behaviour and attitude, resilience and determination made my role, as Manager, enjoyable and not a task.
Overall result for the North Coast team was = 5th position out of 13 teams.
Boys finished in 5th position whilst girls finished in 6th position.
Marielou should be proud of her behaviour and the way she played through the week.
Could you please pass on my gratitude to her for her overall conduct through the week.*

Regards - Tracy Avery

I would sincerely like to thank the staff, parents and community memberships for their kind words, thoughtful cards and generous farewell gifts. I will always have a special place in my heart for Crabbes Creek Public School.

Kind Regards Deborah Love

Calendar
