Term 4 - Week 3

Welcome back

All the staff have been very pleased to see the children settling back into school for the final term of 2020. Term 4 will inevitably be another busy time at Crabbes Creek PS. This year's term 4 will be a little different to usual, as we are operating according to a unique set of DoE guidelines. However, we will still have another productive and enjoyable final term.

Kinder Orientation will now be able to go ahead. Please note there has been a change to dates from those originally planned. The orientation sessions will be on Thursday mornings from 5 November to 26 November. Please contact the school for with any enquiries and let any families know to please do the same.

Further information regarding our end of year presentation assembly will be announced once the term 4 guidelines and related planning are finalised.

The Children have been thoroughly enjoying their tennis lessons with Emily, who is a coach from Murwillumbah Tennis Club. It great to see the children engaging with learning new challenging skills that promote participation in a healthy and active lifestyle.

I would like to extend a very warm thank you to Victory Hotel Social Gold Club for their support of our little school with their generous donation of \$500. It is fantastic to see the wider community connecting with and supporting Crabbes Creek Public School.

K-2 Water Bug Survey

Next Tuesday 3 November, K-2 will be doing some surveying of the local creek during Outdoor Education. The students are reminded to bring old shoes / gumboots and old clothes for our survey.

3-6 PD Health Lessons

During Term 4 Years 3-6 will be completing a Unit called 'Health, Safety and Community.' The lessons are about personal safety and awareness, cyber safety and telephone safety. The lesson content aims to develop student knowledge and skills to recognise, react and report when they are unsafe. If you would like to discuss this program please contact the school.

Kind Regards - Rod Hollis
