

Crabbes Creek Public School

Be Proud - Be Respectful - Be a Learner

Kindergarten 2021

Welcome

At Crabbes Creek Public School, the start of school is an enjoyable and positive experience. The important milestone of starting school provides children (and their families) with opportunities to make new friends and enter into new and exciting experiences.

In our classrooms we acknowledge that all children are different; that they learn in different ways and at different rates. Each child is on his or her own learning journey. Evidence tells us your child's learning and self-confidence will grow with consistency, structure and positive meaningful feedback.

At Crabbes Creek Public School we aim to create a school in which our students develop:

- A sense of dignity and worth.
- Positive behaviours for personal responsibility and interactions with others.
- A sense of enjoyment and satisfaction from their learning.
- An ability to communicate effectively.
- A caring attitude towards others.

First Kindergarten Transition Morning – Thursday 5 November 2020

Due to Covid, please sign in and complete a visitor form at the office. Parents leave after 10mins.

- Come to school at 8.45 am.
- Mr. Belleville will meet families at the gate.
- In your child's bag please pack a hat, a labelled drink bottle and a labelled container with a piece of fruit for fruit break and a healthy snack for recess.
- Leave your child's bag on the bag rack.
- Our future Kindies will join with the current K/1 students and their teacher Mrs. Williams, who will take them to the classroom for activities.
- The class will have their own recess at 10.20 am.
- At the conclusion of recess, Mrs. Williams will meet parents at the gate for pick up at 10.40am.

Please make an appointment if you would like a discussion with staff.

Please let us know you will be attending, if you have not already done so.

Transition Mornings
