Term 4 - Week 6

Presentation Day - Thursday 12 December

Our students are busily preparing for their end of year performances, which they will be performing at our end of year presentation. We are very pleased to be in a position to invite families to come and join us at school for what is a very special event for our students. Although the presentation event will be different from previous years due to COVID 19 restrictions, the focus remains on the achievements of the children and a celebration of what has been another wonderful year at Crabbes Creek Public School. Further details of what our end of year celebration will look like under the 4 Metre square rule and other guidelines will follow. As I have said before, despite all the set-backs thrown at us in 2020 the community of Crabbes Creek Public School has been an example of the old proverb, when you have lemons make lemonade.

Kindergarten Orientation

On Thursday Bowie, Sea-aria, Eden and Rafe joined Mrs Williams and her wonderful K/1 students. The children participated in some outside physical activities and some classroom activities. Our new students also topped up their energy levels with some recess before engaging in some free play with their new friends. After a class reading of One Runaway Bunny there were a lot of busy fingers and minds as the children drew, cut and pasted to create some very fluffy bunnies. During this time the year 2 students also gained some transition experience in the 3-6 room with Miss Craig. A big thank you to Macy and Sashi who provided Mrs Williams and her students with fantastic support during the Kindergarten Orientation session.

Student - Drop off & Pick up - Thank you

All the staff would like to thank parents and carers for their patience and cooperation at drop off and pickup times, especially in regards to changed routines, that parents not being allowed on site has created. While the students are often tired or excited after a day of learning, the staff are committed to ensuring that every student is travelling home safely. The drop off and pickup times place children and vehicles in the same area, which creates risk and so there is a need to reduce it. To reduce risk, staff mark each student on the bus rolls, once they are sure they have each child, the group is then supervised as they walk through the car park and board the buses. Once the buses have left staff will begin to hand over supervision to those parents who are patiently queued in their vehicles or waiting nearby. We would also like to thank parents for notifying the school of changes to routine bus travel or pick up. The consistency of this, has not only reduced anxiety and confusion for our students at the end of the day but allowed staff to ensure they safely hand over supervision of every student, so they travel home safely. Thank you Crabbes Creek community.

It has been an incredibly eventful year and the end of the school term is rapidly approaching. Like the rest of the year the 4 weeks are shaping up to be a busy time here at school. Some events to make sure they are on your calendar include, the end of year pool party, Year 6 graduation dinner, end of year presentation and performances, the tennis fun day and the PB4L fun-day.

Have a great weekend and enjoy your children.

Brev Belleville - Principal

Term 4

Tuesdays - Tennis

Wed 02.12 Pool Party K-6
Wed 09.12 Year 6 Dinner
Thur 10.12 Presentation Day 4-6pm
Tues 15.12 Tennis - Fun Day
Wed 16.12 PB4L Fun Day
(students last day)

Dear Crabbes Creek Community

Thank you for ordering sushi and supporting us to raise money for our year six farewell. We really appreciate your support. Sushi has now stopped for the rest of this year. Starting from week seven on Fridays we will be selling ice creams cones. We will provide more information on this soon.

Thank you again for your support
Macy Inukihaangana & Sashi Shearer

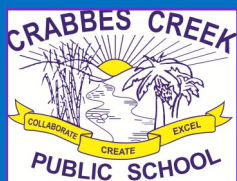

THE
CRABBES CREEK PUBLIC SCHOOL

ANNUAL P&C RAFFLE
