Term 4 - Week 2

## Welcome new students Lilah and Ryder and Family

I would like to wish everyone a very warm welcome back on behalf of all the staff here at Crabbes Creek Public School. I would also like to extend a special welcome to Lilah, Ryder and their family on behalf of the Crabbes Creek PS community.

## Welcome back

It was wonderful to see our students and families enthusiastically return to school and immediately settle into their class and school routines. As I am sure you are aware we are operating under level 3 conditions. The department of education has worked closely with NSW Health in developing our return to school procedures. While we are required to operate according to these procedures the staff and I have been vigilant in maintaining a positive small school atmosphere. It has been very pleasing to see the children continue to enjoy the wonderful experience of childhood that is Crabbes Creek PS. I would like to assure our parents and carers that the teachers and myself remain available if you have noticed any issues for your child that we may not be aware of. Together we will continue to work together and keep the children safe in all ways during this continued complex time.

## Kindergarten Orientation Program

Next week we are very much looking forward to meeting the Kinder students of 2022. Yes, it is that very exciting time of year again when the huge milestone of starting the journey to big school begins. Our kinder orientation program commences next Wednesday 20 October. If you know of any families who are interested in attending please remind them and encourage them to contact the school for further details. It is amazing how often people comment to me that they forgot that Crabbes creek PS is here. Word of mouth and our families sharing their positive experience at Crabbes Creek PS is the greatest way to ensure people are aware of our school. People are often interested to know that I am able to accept enrolments from beyond our zone in all years. Please remind people you may be aware of that are interested in enrolling at our school and ask them to contact the office.

Have a great weekend. Brev Belleville - Principal
