Happy Birthday & Thank You Sharon

Last Friday **gold fever** took hold at Crabbes Creek PS. Our very innovative teachers provided a range of activities that included concepts such as measuring area, weighing gold, and converting it to a monetary value using today's gold price. Check out the 3-6 children's reports and the photos of this great day.

The children are busily preparing their dances for the **end of year presentation** assembly. It has been another busy year here at Crabbes Creek PS and we are all looking forward to sharing all the children's important milestones with our community. Thank you for your continued support as we move towards the end of another year that despite its unpredictability has seen many triumphs.

Today everyone enjoyed the **Kids in the Kitchen** shared meal prepared by our very talented students. Kids in the Kitchen provides our students with hands on life experience lessons that involve preparing healthy food. Once again congratulations and thank you to our staff for providing another successful event.
