

# Crabbes Creek Public School Newsletter

Friday 19 February 2021  
Term 1 - Week 4

## Congratulations Year 6 Leaders & Future Leaders

## Leadership Team induction

Thankyou to Miss Craig, who organised the induction celebration and ceremony for our leadership team.

Leadership and team work are an important part of real-world success. It is important students gain experiences and develop skills in these areas. Leadership teams require building relationships, communication and interpersonal skills to achieve tasks efficiently and assist others flourish. One great thing about Crabbes Creek Public School is that all of our senior students are able to develop these important life skills.

All students need encouragement and support from their peers especially their older ones. Here at Crabbes Creek Public school it is a joy to see this happening naturally and daily. As our students progress to their senior primary years, they become accustomed to some level of leadership - just as those who have come before them, were role models and have now moved onto high school. Our future leaders and senior leaders are now role models and this is a very important part of our little school.

Our student leadership team are great examples of Our PB4L values.

**Be proud - Be respectful - Be a learner**

## Welcome - Olive

A big warm welcome to Olive and her family, who joined our Kindergartens last week.

## TERM 1 - 2021

Mon 22.02 Happy Birthday Mr. B  
Mon 22.02 Keyboard starts  
Tues 23.02 Swimming  
Wed 24.02 Story Dogs  
Thur 25.02 Maths Tutor Year 6  
Mon 01.03 Assembly  
Frid 05.03 Clean up Aust. Day  
Frid 12.03 Kids in the Kitchen  
Mon 15.03 Assembly  
Frid 19.03 Harmony Day  
Mon 29.03 Assembly  
Thur 31.03 Easter Hat Parade and  
Easter Egg Hunt  
Thur 01.04 Cross Country K-6  
Thur 01.04 Last day School

## Swimming Dates

Tuesday 23<sup>rd</sup> February  
Tuesday 2<sup>nd</sup> March  
Tuesday 9<sup>th</sup> March  
Tuesday 16<sup>th</sup> March  
Tuesday 23<sup>rd</sup> March  
Tuesday 30<sup>th</sup> March

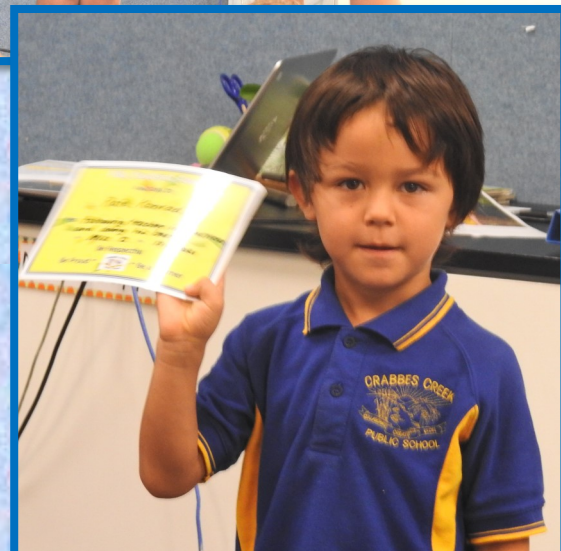

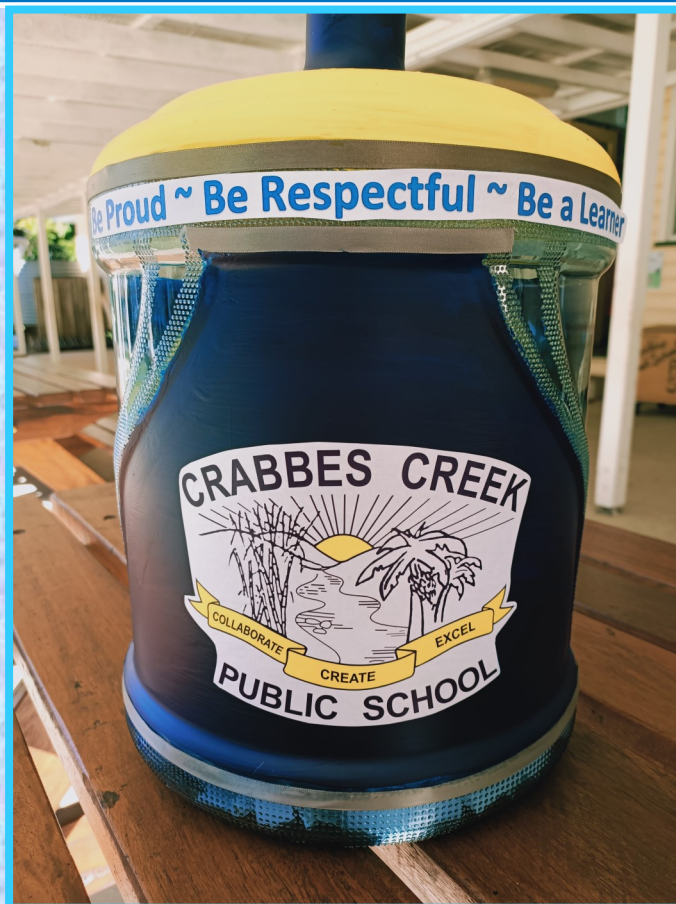

K-2 have been enjoying using their whisper phones so much.  
Whisper phones help with fluency in reading and checking to see if their writing makes sense.

**Fun in the sand pit**

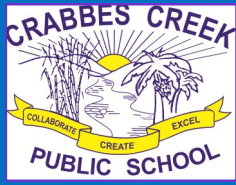

PB4L Student Awards  
Congratulations - Sammy, Eve, Oscar & Rafe

## Crabbes Creek Champ Award Winners

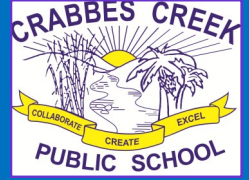

Congratulations Mali, Albert & Ronja

Term 1 - Week 4

## Covid Intensive Learning Program

The Department of Education is funding the Covid Intensive Learning Support Program. The program allows for small group tuition to be provided for students who need it the most. Small group tuition involves supplementary teaching and learning support for groups of 2-5 students. Students are taught consistently for a predetermined amount of time with the intention to reinforce classroom instruction. The support provided will focus on core content and skills, particularly literacy and numeracy. Further information will be provided as the model designed to meet the needs and context of Crabbes Creek Public School is implemented.

## Before & After School Care @ CCPS

After The Bell were successful through a tender process to provide Out of School Hours Care for students of public schools in the Murwillumbah area. This is a state government initiative to improve services for families in rural areas. We have been informed the service will begin once children are enrolled. Please refer to the After the School Bell flyer (which has been emailed today) for information on how to register and find more information.

## Your P&C needs your Support

Please support your P&C. They are currently organising the canteen and would like to have a welcome back to school event. Simply being in touch and up to date is of great assistance to making all the difference.

**ENROL NOW**

Music for Kids is a music program that has been running at the school for the past 9 years.

Joanne Sloane is the founder of the program.

Her classes incorporate lessons in Piano/ keyboard and African Percussion.

These lessons are held on a Monday at the school.

The piano/ keyboard lessons include a thorough learning of music where the children learn to read music, play by ear, and are encouraged to create and perform their own songs.

The drumming group is a space where the children learn original polyrhythms of Africa, but also are encouraged to create their own.

The students are supported to perform at the end of year performance and smaller performances at the school throughout the year.

If you are interested

in your child learning one or both instruments please contact Joanne on 0422562179 or email [musicforkids.oz@gmail.com](mailto:musicforkids.oz@gmail.com)
