

Crabbes Creek Public School Newsletter

Friday 8 April 2022
Term 1 - Week 11

GRIP Leadership

Our beloved Miss Craig has been at home resting. I would like to thank Ms Cherry for coming to Crabbes Creek PS for the week.

Miss Craig and our senior leaders went on an excursion last week to the GRIP leadership challenge. Unfortunately, Miss Craig has not had the chance to work with the students to prepare a report on what must have been a very exciting day. As soon as the report and pictures are available, they will be distributed.

Athletics

This year it is Stokers Siding PS and Crabbes PS turn to organise the Tweed Coast Small Schools Athletics Carnival. The carnival will be in week 9 with the field events held on the 21 June and the track events on 22 June. Due to various factors out of our control, this year we will be preparing for the athletics carnival a little differently. On the 9 June we will travel to the Walter Peate Oval for an intensive athletics coaching day. The day will also provide an opportunity for students to qualify for events on the carnival days. Most schools in the area have sports fields and playgrounds that would require a shovel to retrieve a shot put at the moment. For this reason, we will be joined by Stokers Siding PS and Tumbulgum PS for the coaching day.

On 9 June the K-2 class will take the opportunity to travel to Kingscliff with the 3-6 class and then continue onto Faulks Park for a play on the pirate ship and other equipment. There will also be the chance for a picnic and Ms Brock is currently organising further fun activities.

News

The Australian Law Group Murwillumbah generously donated back packs with everyday items that a school student requires. This initiative is to support our community during the challenging times of recovery from flood. I would like to take this opportunity to thank the group for thinking of our little community and providing this practical support and especially for gifting the children with cheer and smiles.

There was a very productive P&C meeting this week. Please look out for their next flyer.

Have a great weekend.

Brev Belleville.

Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just...

they miss weeks per year

and years over their school life

1 day per fortnight

=

4 weeks

=

Over **1** year missed

1 day per week

=

8 weeks

=

Over **2.5** years missed

National Sorry Day

26th May was National Sorry Day. Students at CCPS spent the afternoon learning about the importance of National Sorry Day and the meaning of Reconciliation.

Together we created this artwork to acknowledge and reflect upon the history of our First Nations People.
