

Crabbes Creek Public School Newsletter

Friday 8 April 2022
Term 1 - Week 11

Cross Country

Our students have earned themselves a huge congratulations for their outstanding efforts in gaining second place at the Small Schools Cross Country. The children successfully negotiated tractor ruts, cow patties and of course mud, all of this made for a perfect cross country course. We would like to thank our friends at Stokers Siding PS for hosting the event. Well done everybody for giving it your best. Please see photos.

School Leaders Induction

We are very proud of our school leaders who received their badges at this week's induction assembly. Positive leadership programs are valuable because they promote the skill, value and qualities that determine the success of individuals and the future world. Not only do our school leaders benefit from leadership experiences but also our whole school. I would like to thank Miss Craig, who has taken on the role of Student Leadership Mentor, for organising the assembly. This year Miss Craig and I are putting strategic plans in place to strengthen the student leadership program. This will include a programmed and structured time for the student leadership team to meet with the initial agenda item of creating a student leadership team vision. Thanks to the quality of the student voice being provided there are many other quality projects on the horizon. I look forward to them updating us on their progress.

School News

We have happily returned to the Crabbes Creek Public School site. Congratulations to the community who have pulled together and shown great adaptability as we have transitioned into our temporary school. The positive mindsets, strong social interactions and joy the children demonstrate at school is a testament to this. We still have a journey ahead of us, as we transition back to our permanent buildings. This journey will continue to present challenges and is likely be a drain on energy. For this reason, it is important that the Crabbes Creek School community continue to demonstrate their strong spirit and support for each other. I am assured that the community's focus on the wellbeing and positive outcomes for the children will see the school community become even stronger.

NSW Department of Education

Why attendance matters

When your child misses school they miss important opportunities to...

Learn

Make friends

Build skills through fun
