## Principals Message

It seems a little surreal but is also welcomed that we have now put plans in place to move back into the school buildings next term. Much of the reconstruction is completed while continued work includes:

- Continue construction/framing of extension to canteen block and decking.
- Continue application of paint stripper and removal of paint from Block A & B.
- Continue painting external walls.
- Continue painting of the office internal walls.
- Continue electrical fit.
- Continue carpet floor coverings.
- Continue hang doors in classrooms.
- Continue data fit off.
- Excavation of footings for ramps.
- Pour footings and columns for ramps.

The demountables will be removed over the holidays so work can begin on resurfacing the carpark. It will be very exciting to be in the refurbished school buildings and we are looking forward to completing this next important milestone and moving towards the final remediation works.

On Tuesday the whole school went to the Small School Athletics Carnival at Kingscliff. The sun held out just long enough for all races to finish. Well done to all those that participated. It was lovely to see so many parents come to cheer Crabbes Creek students on in their races.

I would like to acknowledge and thank our team of regular casual staff, Mr Shaw, Ms White, Ms Hays and Ms Cherry. Our students are always pleased to see them. These teachers all know our students and school. They provide a continued quality and positive learning environment when our classroom teachers are absent or involved in important professional learning. Well done, we are very glad to have you as part of our team when relief staff are so hard to find.

Last week Kirstyn held the initial Seasons of Growth small group sessions. Unfortunately, Kirstyn was on sick leave this week but this valuable program to support the children develop positive life skills will continue next week.

A quick reminder Kids in the Kitchen is on next Friday. The termly event is a much-loved celebration that the students enjoy sharing with families.
